

The Clinical Educator Programme

Completion of the **Edinburgh Summer School in Clinical Education** can be used towards the **Clinical Educator Programme**. Doing the Summer School is effectively the Clinical Educator Programme Level 1, 2 or Level 3 in an intense week, however if you do the Summer School, you still need to complete the following in order to obtain the Clinical Educator Programme Level 1, 2 or Level 3 certification:

To obtain Level 1 certification:

One online training module:

Diversity, Equal Opportunities & Human Rights **OR** LearnPro Foundation Equality and Diversity
<http://sefce.net/en-gb/page/cep-online-training-modules>

More information can be found at:
<http://sefce.net/page/level-1>

To obtain Level 2 certification:

1) Two online training modules:

a) Diversity, Equal Opportunities & Human Rights **OR** LearnPro Foundation Equality and Diversity
b) Managing the Trainee in Difficulty **OR** Assessing Educational Needs **OR** Setting Learning Objectives
<http://sefce.net/en-gb/page/cep-online-training-modules>

2) An individual teaching observation and feedback session :

<http://sefce.net/page/teaching-observation-and-feedback-session>

More information can be found at:
<http://sefce.net/page/level-2>

To obtain Level 3 certification:

1) and 2) as specified in Level 2 requirements

3) A reflective portfolio

<http://sefce.net/en-gb/page/reflective-portfolio-assignment>

More information can be found at:
<http://sefce.net/page/level-3>

If you would like to enrol on the CEP, please register by completing the CEP registration form at: <http://sefce.net/cep> and send completed form to: CEP@ed.ac.uk.
