

# Ever wondered where your teaching fits into the bigger picture?

Lecture series 29/07 LMACI

## Introduction to the Edinburgh MBChB Part of the Clinical Educator Programme

**1 August 2014, 2pm to 5pm, Victoria Hospital Kirkcaldy**

This interactive workshop provides an introduction to the structure of the Edinburgh MBChB Programme to support you in gaining a better insight into what, when and how the MBChB students are learning. It will help you plan and deliver teaching which builds upon their prior learning, taking your sessions, assessment and support to a new level.
