

# Clinical Educator Programme

## Using Technology in your Teaching workshop Learning Objectives

**By the end of this workshop, you will be able to:**

- **Consider how you might be able to use technology in your teaching**

How will this I impact upon my practice and how will I know that it is having an impact?

OR How will I implement this into my own practice and what exactly will I do?

--

When will this start to happen?

When will I review my progress?

--	--

- **Plan how to get started using one or more of these technologies introduced in the workshop**

How will this I impact upon my practice and how will I know that it is having an impact?

OR How will I implement this into my own practice and what exactly will I do?

--

When will this start to happen?

When will I review my progress?

--	--

- **Identify how to access help and support in creating your interactive teaching sessions**

How will this I impact upon my practice and how will I know that it is having an impact?

OR How will I implement this into my own practice and what exactly will I do?

--

When will this start to happen?

When will I review my progress?
